## Description

Do you own a piece of Krampouz cooking equipment purchased from Sephra?

You could be in the running to win a brand new CrÃªpe Machine or Waffle Maker, courtesy of Krampouz!

All you have to do is take a picture of your current piece of kit and email it to export@krampouz.com â€“ remembering to cc.info@sephra.com â€“ with **â€˜Krampouz Competitionâ€™** in the subject line.

Thereâ€™s just four criteria you have to meet to make sure your photo qualifies:

1. The Krampouz logo must be visible and clear
2. The appliance must be in good condition
3. No other brands should be visible â€“ only Krampouz
4. The product must be pictured in a kitchen environment, or foodtruck.

(Extra kudos for getting creative, or including some clues as to the country you are in!)
