

Distributors

Description

Sephra distribute catering equipment world wide.

Sephra have offices in the United Kingdom and the United States of America, from these facilities we can supply goods and service across the globe on both a direct basis, as well as a network of accredited distributors. If we have a distributor in your area you will be able to find the information by [clicking here](#).

Alternatively please contact us directly. Our U.S. office covers the North and South of America, as well as Australasia. Our U.K. office covers Europe, Russia, Africa and the Middle East.
