## Description

### Free Next Day Delivery from Sephra

## Delivery Options

Sephra utilise a variety of shipping partners to ensure that orders can be delivered around the world quickly, safely and most importantly at the lowest costs available within the market place.

By using modern sales order processing and inventory management systems coupled with the combination of high quality shipping partners, orders can be processed and delivered in as little as 24/48 hours.

We aim to despatch all orders for delivery on a next working day basis provided the order has been received prior to 2pm. UK Orders will usually be despatched using Parcelforce Express 24, My Hermes and Royal Mail if selected. (Northern Ireland, Highlands and Islands are will be despatched using Parcelforce Express 48 service or My Hermes.)

Worldwide orders are delivered using FedEx Economy Air Service, delivery times vary but are usually approximately 2-5 Days.
