

## Sephra Rotary Donut Maker

### Description

#### The Rotary Donut Maker

The Rotary Donut Maker, designed for customer facing counter top use, is perfect to add a touch of theatre to your food service business.

Producing up to 150 full size donuts per hour itâ€™s the ideal addition to a coffee shop, cafÃ© or chocolate lounge / kiosk. With high profit margins of 80 â€“ 90% available, the Sephra [Rotary Donut Maker](#) is a great income generator.

The unique rotary design cuts down on counter surface space and oil requirements compared to larger alternatives.

Sephraâ€™s [Rotary Donut Maker](#) is simple to use and clean. Making fresh donuts couldnâ€™t be easier.
