

Videos

Description

Sephra have a variety of videos, whether it's a visual motion graphic, an educational video or a video to enlighten the spirits. Sephra will continue to engage with our fan base through the personal medium that is video.

Training Videos

These videos will give you step to step instructions on any query you may have, from how to melt chocolate or add colouring to how to service a fountain yourself.

Youtube Videos

Sephra have been on youtube since November 2012, our videos are there to educate, promote and humour our followers. Youtube enables us to connect with a huge audience along with giving us the ability to upload links onto our social media sites, such as Facebook and Twitter.
